The Terryville Lions Club Dedicates the 2021 Premium Book to Dick Foote, a Lion of 56 years!

Dick Foote grew up in Terryville. Born on Christmas Eve in 1939, he attended public schools, graduating with the class of 1959. He holds BS and MS degrees from Central Connecticut State University, and is retired from the Watertown school system. Dick is married to his wife Gail, and they have three children; Rebecca, Susan and Ricky. He has been active in town all his life, serving on many boards and committees, including the Board of Fire Commissioners, the Board of Assessors, and the Historic Properties Commission. He has been a councilman, and is currently on the Board of Education. Fifty two years ago, he served on the Building Committee for the Terryville Congregational Church, following the tragic fire there in 1967. He was also a columnist for the original Plymouth Connection (2007-2019). In his column entitled "I remember When" he would share his remarkable memories of local people, places and events throughout his lifetime.

PDG Dick joined the Terryville Lions Club in May, 1965, and has held all major offices in the club. He was asked to be a Zone Chairman in 1985, and at that point became active in District 23B affairs. During the past 30-plus years, he has held many positions on the District Governor's cabinet, including Region Chairman, Lioness Chairman, Cabinet Secretary Treasurer (twice) and chairman of the Connecticut delegation to the Lions International Convention in Montreal in 1996.

Realizing that Merrill Scott had been the only District Governor from Terryville (1946), Dick decided that it was about time that our club was represented at that level. In 1993, he was installed as District Governor at the Lions International Convention in Minneapolis. Since then, Terryville has become one of the premier Lions Clubs in Connecticut; with the leadership of members who now hold important positions on the Governor's cabinet.

Dick remembers the earliest days of the Lions Terryville Country Fair when just about everybody in town would travel up to the Fairgrounds during the days before the Fair to see what was going on at what was then an empty hay field. By the time he joined the Lions Club, there was only one plywood storage/Fair Office building, and an old garage/well-house on the grounds; everything else had to be under rented tents; feverishly set up during the five days before the fair. Things have certainly changed.

Dick has held several jobs at the fair, with his most rewarding time having been that of Chairman of outside concessions; laying out the midway, and meeting some great people, etc. He now takes a back seat as an "elder statesman". Nevertheless, Dick recognizes that nothing he has accomplished has happened without the help and support of his fellow Lions at the local and District levels. He stands on the shoulders of many who have gone before.

A. GENERAL REQUIREMENTS:

1. Health certificates signed by an accredited veterinarian and other required testing will be valid for the entire 2021 show season. If travelling to multiple New England States for exhibition, **see the Memorandum - Livestock Health Certificates for the 2021 Show Season**, for additional requirements.
2. All animals and poultry entered at fairs and shows must be in good health and in proper physical condition and will be examined at the exhibition by the barn superintendent. **Evidence of poor condition or infectious or contagious disease or failure to produce the necessary documents for health certification, vaccination or testing will result in ejection. The Connecticut Department of Agriculture Livestock Inspector's decision is final.**
3. Health charts and proof of vaccination where applicable are the responsibility of the exhibitor.
4. Each barn superintendent will collect and hold the Health Certificates from each exhibitor. Animals not in compliance with the state regulations for shows and fairs will not be allowed. A complete list, containing the name of the exhibitor, address, animal ID (ear tag, tattoo, leg band), breed and **age** of each animal, and the total head count will be made available to the State Livestock Inspector and forwarded to the Connecticut Department of Agriculture, Bureau of Regulatory Services by the fair superintendent. **All animals and poultry present on the grounds should be identified on this list.** Any animal that is rejected should be noted as such with a brief statement of reason. Rejected animals or poultry should be removed from the grounds as soon as possible. **Any concerns about the health of any animal or bird should be reported to the State Livestock Inspector or the Fair Veterinarian immediately.**
5. Isolate all exhibited animals and poultry upon their return to the farm from other animals and poultry for 3-4 weeks to reduce the risk of disease exposure and transmission. Call your local veterinarian if your animals or poultry become sick to help you with diagnosis and treatment.
6. Contact the Bureau of Regulatory Services at 860-713-2504 if you have any questions.

B. CONNECTICUT ANIMALS

*****All cattle, horses and sheep must have a rabies vaccination given by a licensed veterinarian. The vaccination certificate must be signed by the veterinarian that gave the vaccination and include the animal's identification and description, the name of the vaccine's manufacturer, serial number and the date the vaccination was given and when it expires. If it is the animal's first rabies**

vaccination, it must be given at least 30 DAYS prior to their first show date to be considered current.***

1. ALL SPECIES: Animals must originate from herds or flocks that meet the testing and health requirements of the State of Connecticut. State livestock inspectors may request proof of compliance with state requirements. No herd or flock under quarantine order shall move or be exhibited. All animals must have permanent identification (ear tag, tattoo, leg band, microchip plus a reader or EIA certificate).
2. CATTLE: All cattle must have a health certificate issued within 60 days of their first show by an accredited veterinarian stating that the animal is in good health and not showing signs of infectious, contagious and/or communicable diseases.
3. HORSES: All horses must have a negative AG ID (Coggins) or ELISA test for Equine Infectious Anemia (EIA) within 12 months of their show date and be accompanied by this certificate. It is highly recommended that horses be vaccinated against EEE & WNV within 6 months of their first show date.

IMPORTANT NOTICE

*****All animals for which there is a licensed Rabies vaccine – cattle, horses, sheep, dogs, cats and ferrets-exposed to the public shall be vaccinated against Rabies. Animals not having an approved Rabies vaccination shall be displayed in a manner such that the public would not be in contact or exposed to saliva from those animals and have EASILY VISIBLE POSTED SIGNS OR TAPE stating, "CONNECTICUT RABIES ADVISORY NOTICE - DO NOT FEED OR TOUCH ANIMALS".*****

On August 4, 2009, the Department of Agriculture adopted regulations for the **"Control of Rabies in Public Settings"** which will be enforced at all Connecticut fairs and public exhibitions. The complete text of the regulations, RCSA §§ 22-359-1 through 22-359-5, follows this notice. Its provisions include the following for both Connecticut and out of state animals:

(1) Animals for which there is a licensed Rabies vaccine

- Horses, cattle, sheep, dogs and cats must be currently vaccinated against rabies by a licensed veterinarian unless they are under the minimum age to be vaccinated. (Ferrets are also included in this category if displayed.)
- These animals must have a rabies vaccination certificate signed by the licensed veterinarian administering the vaccine that includes the animal's identification and description, name and address of owner, name of the vaccine's manufacturer, serial number, date the vaccination was administered and date when it expires.
- If it is the animal's first vaccination, it must be given at least 30 days prior to the first show date to be considered current.

(2) Animals not having an approved Rabies vaccination

- Includes animals for which there is not a licensed rabies vaccine and animals for which there is a licensed rabies vaccine but are under the age to be vaccinated. (Most rabies vaccines are labeled to be administered when animals reach 3 months of age – young animals for exhibition should be vaccinated as soon as possible after 3 months of age.)
- Animals must be separated from the public by sufficient means to avoid direct contact with people and other animals, such as a double fence, plexi glass, or other means; or conspicuous signs or tape must be posted near the animal enclosure stating **"CONNECTICUT RABIES ADVISORY NOTICE – DO NOT FEED OR TOUCH ANIMALS"**.

Yellow tape with the rabies advisory notice wording is available for purchase from the Department of Agriculture.

Please, contact the Department at (860) 713-2504 if you have questions regarding the requirements, the rabies regulations or if you wish to obtain the rabies advisory notice tape.

The Terryville Lions Club Dedicates the 2021 Terryville Country Fair in Loving Memory of Lion Thomas Walter Zagurski

Lion Tom Zagurski was on this earth for 64 years. He was a family man, a husband to Karen, a father to three children, TJ, Ray and Chrissy, a grandfather to 2 grandchildren, Garrett and Paige, a gentleman farmer, and a hard worker in the Aerospace division of UTC for over 42 years.

Tom served his community in many ways. He was a Town Councilman for 15 years. He also served on the Inland Wetlands Commission, as Liaison to the Library Board, and was a member of the Plymouth Historical Society, to name just a few of the many ways in which Tom made a difference. As a proud father, he has been a Little League Coach, a Cub Scout Leader and Youth Soccer Coach. Tom also served on the WAMOGO High School Advisory Committee and has been a judge of parliamentary procedure for agricultural school contests.

Tom was a 40+ year member of the Terryville Lions Club, ever-present at all club activities, including the Mothers' Day Breakfast, the Volkswagon Show, the Antique Tractor Pull, the Motorcycle Swap Meet, and the Christmas Basket Project, to name a few. Outside the Lions Club, Tom has served with distinction as president of the Litchfield County Fair Association, three years as president of the Association of Connecticut Fairs, and ten years as President of the Terryville Country Fair. He was also is a member of the Farm Bureau.

Tom was a great human being. Tom left this earth before he finished what he thought he needed to do to improve his town and state. He loved his family and farm and wanted to retire on the farm. That didn't get to happen. That's ok. Because Tom loved each day. He knew life was not going to last forever, so he made each day his best day. People loved Tom. People looked up to Tom.

People wanted to talk with Tom. He was always listening. He was not always available, but it wasn't because he didn't care, it was because something important came up with his family or the farm needed him. He thought before he spoke, he kept his wife and children grounded and showed them what was important in the lives of the Zagurski family.

Tom was happiest on the farm. He would do anything for his family. So when his boys, at age 7 and 8, wanted a farm, Tom started a farm with them in our back yard. As the farm grew, we needed to buy more land. So, instead of going to Disney, Tom bought land and started clearing it with the boys and the farm just grew and grew and grew. Then came the horses for Chrissy. At one point the farm housed 63 sheep, 40 chickens, 10 rabbits, 5 cows and 3 horses. Ok, slow down. We cannot afford the feed! So we sold lambs and older sheep, eggs and beef. As

the kids grew up and left to make their own homes, the farm became more manageable. Tom would come home from work and go putter on the farm or take his weekend coffee to the farm. You could hear his whistling throughout the neighborhood. He was happy. He was content. He loved his life and his family.

Tom may be gone physically, but when you hear someone whistling, think of him. It's not the expensive things that make you happy, it's not the grand vacations. Its simple things, like being together as a family. Not everyone can have a farm, but do what makes you happy.

In loving memory of a great man...
Lion Thomas Walter Zagurski

The Quilts of Valor Foundation is a national organization founded in 2003 by "Blue Star" mom Catherine Roberts. With a son deployed in Iraq, a 'Gunner' sitting atop a Humvee she felt "only 10 seconds away from panic". She had this vision of a post deployed worrier struggling with his war demons at 2 in the morning. She saw him sitting on the side of his bed wrapped in his quilt. The quilt not only comforted him

but warded off the demons. Thus the QOVF was founded. The Quilts of Valor Foundation's mission is to cover ALL combat service members and veterans touched by war with comforting and healing Quilts of Valor. ****NOTE:** The following two recipes were selected to commemorate the **400th Anniversary**

of the Mayflower's Voyage & Founding of Plimoth Plantation.

The recipes includes ingredients such as rye flour, corn flour, cornmeal and molasses, that would have been used in the early 1600s.

The voyage of the Mayflower took 66 days with 103 passengers aboard. Two babies were born aboard the Mayflower – Oceanus Hopkins and Peregrine White. The Mayflower Compact was written and signed by all adult male passengers. This document created a Civil Body Politic which is a foundation of the Constitution of the United States of America. Plimoth Plantation was the first permanent colony in the New World.

King Arthur
2021 ADULT BAKING CONTEST

Swedish Tea Ring

"In Sweden this tea ring is most often enjoyed at Christmas time. Think cinnamon roll in the shape of a ring. This — and many European pastries — aren't as over-the-top decadent as the typical American sticky buns, cream-filled layer cakes, and gooey fudge brownies. If you're after a classic Swedish tea ring, this is it..."

Prep - 20 min.; Bake - 25 min.; Total - 2 hr., 30 min. Yield - 1 ring

INGREDIENTS:

Dough

- 1 cup (227g) milk
- 1/4 cup (50g) sugar
- 3/4 teaspoon salt
- 1 large egg
- 3 1/2 cups (418g) King Arthur Unbleached All-Purpose Flour
- 2 teaspoon instant yeast, SAF Gold instant yeast preferred

Filling

- 3 tablespoons (39g) sugar
- 1 tablespoon ground cinnamon
- 1 tablespoon Instant ClearJel, optional; to keep the filling from seeping out during baking
- 3 tablespoons (43g) unsalted butter, melted
- 1/2 cup (57g) chopped walnuts
- 1/2 cup (85g) cinnamon chips

INSTRUCTIONS:

1. To make the dough: Combine all of the dough ingredients and mix and knead — by hand, mixer or bread machine — to make a soft, smooth dough. Let rise, covered, for 1 hour.
2. To make the filling: Stir together the sugar, cinnamon, and ClearJel, then add the melted butter. Combine the walnuts and cinnamon chips separately.
3. Transfer the dough to a lightly greased work surface, and roll it into a 12" x 18" rectangle.
4. Spread the filling over the dough. Top with the walnuts and chips.
5. Starting with one long side, roll the dough into a log and form it into a ring, pinching the edges together to seal. Place the ring on a greased or parchment-lined baking sheet.
6. Using a pair of scissors, cut two-thirds of the way into the edge of the ring at 2" intervals. Turn each cut section onto its side.
7. Cover and let rise for 30 to 45 minutes, until puffy.
8. While the bread is rising, preheat the oven to 375°F.
9. Bake the tea ring for about 25 minutes, until golden; tent it with foil after 15 to 20 minutes if it's browning too quickly.
10. Remove the loaf from the oven, and carefully transfer it to a rack to cool.

King Arthur 2021 JUNIOR BAKING CONTEST

Gingerbread Cookies

"This molasses-dark, ginger-and-spice flavored cookie is perfect for gingerbread men. We roll it a bit thicker than usual, to give the cookies just a hint of chew. While ginger is often thought of as a winter baking flavor, we've found that ginger pairs well with various fruits, too...."

Prep - 35 min; Bake - 8 to 10 min.; Total - 1 hr. 45 min.

Yield - 3 to 3 1/2 dozen 3" cookies

INGREDIENTS:

12 tablespoons (170g) unsalted butter

3/4 cup (159g) brown sugar, packed

3/4 cup (255g) molasses

1 teaspoon salt

2 teaspoons cinnamon

2 teaspoons ginger

1/4 teaspoon allspice or cloves

1 large egg

1 teaspoon baking powder

1/2 teaspoon baking soda

3 3/4 cups (447g) King Arthur Unbleached All-Purpose Flour

INSTRUCTIONS:

1. In a saucepan set over low heat, or in the microwave, melt butter, then stir in the brown sugar, molasses, salt, and spices.
2. Transfer the mixture to a medium-sized mixing bowl, let it cool to lukewarm, and beat in the egg.
3. Whisk the baking powder and soda into the flour, and then stir these dry ingredients into the molasses mixture. The dough will be very soft and sticky, but don't be tempted to add more flour; it'll firm up once it's chilled.
4. Divide the dough in half, and pat each half into a thick rectangle. Wrap well, and refrigerate for 1 hour or longer. The dough may be sticky and hard to roll if not thoroughly chilled, so make sure it's cold before continuing.
5. Preheat your oven to 350°F. Get out several baking sheets; there's no need to grease them, though lining with parchment saves effort on cleanup.
6. Once the dough has chilled, take one piece of dough out of the refrigerator, and flour a clean work surface. Roll the dough 1/8" to 1/4" thick; the thinner you roll the dough, the crispier the cookies will be. Flour both the top and bottom of the dough if it starts to stick. Alternatively, place the dough on parchment, and put a sheet of plastic wrap over it as you roll, pulling the plastic to eliminate wrinkles as necessary when rolling; this will keep dough from sticking without the need for additional flour.
7. Cut out shapes with a floured cookie cutter, cutting them as close to one another as possible to minimize waste.
8. Transfer the cookies to ungreased cookie sheets (or, if you've rolled right onto the parchment, remove the dough scraps between the cookies). Bake the cookies just until they're slightly brown around the edges 8 to 12 minutes, or until they feel firm. Let the cookies cool on the baking sheets for several minutes, or until they're set. Transfer them to a rack to cool completely. Repeat with the remaining dough.
9. Decorate the cookies with Royal Icing or Simple Cookie Glaze and food safe markers.
