Thanks to the Fair Book Committee for their efforts in compiling the information and for the design of this year's Fair Premium Book: **Sandra Murphy Bishop, Darla Lizotte, Lisa Phillimore, Chip Wilcox, Dick Foote and Amy Ruedemann.** Thank you to www.freepik.com for many of the clip art images art used in this book.

The Terryville Lions Club Proudly Dedicates the 2023 Premium Book to Lion Pat Daigle

Lion Pat Daigle has been a member of the Terryville Lion Club since 2003. During that time, she has served as club president, club treasurer for four years, and a member of the Board of Directors.

In addition, Lion Pat has chaired many committees and put in countless hours of service to the community. She currently holds the position of club activities treasurer.

Lion Pat has also held many roles at the district level as well, including zone chair, hearing prevention chair, and cabinet secretary from 2017-2021.

She has performed many functions at the Terryville Country Fair such as running the information booth, selling sealed tickets, assisting with the truck pull ring, and maintaining the flower gardens.

Last year, when we needed a new fair secretary at nearly the last minute, Pat stepped

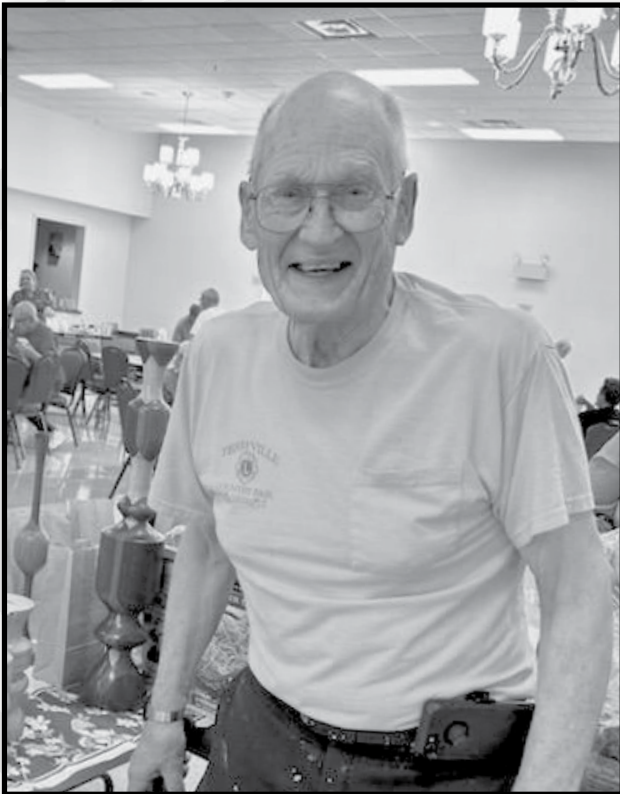

up to the challenge. While it has not been easy for her to figure out everything that needed to be done on short notice, Lion Pat handled it and is well on her way to mastering the fair secretary duties.

Therefore, it is my honor to dedicate this year's Fair book to Lion Pat Daigle.

The Terryville Lions Club Proudly Dedicates the 2023 Premium Book

to Lion Bill Allread

One of the longest-serving members of the Terryville Lions Club is Lion Bill Allread. A Michigan native, he moved to Terryville and started a powdered-metal fabricating company in the old Eagle Lock Company building on the corner of South Main and East Orchard Street, which he continues to run.

Lion Bill is a veteran of the United States Navy Submarine Service. He continues his patriotic duties here in town every Memorial Day; setting up the lectern and public address systems for the services in Plymouth and Terryville.

Mr. Allread joined the Terryville Lions Club in February, 1970, which makes him a 53-year member. He has held all major offices in the club,

and became its president in 1985. Under the old plan, he was chairman of the Terryville Country Fair during September of the year following the end of his presidency. Bill was active in Connecticut Lions District 23-B as well, rising up to the high office of Deputy District Governor (Now known as Vice District Governor). Business responsibilities prevented him from seeking the District Governor's position, but it is believed that he would have made a good one.

Lion Bill has been active in town affairs, most recently as chairman of the Building Committee for the new High School.

An ever-present worker at the Terryville Fairgrounds, usually up high in his "bucket", Bill can be seen pulling electric and communications cables; hanging lights and loudspeakers around the fairgrounds and in general just "being there" for anybody who needs help or advice. At club meetings, he was always the one to "move" for adjournment. When we were all more active and traveling to other clubs and District events, wait staff had to be told that Bill didn't eat chicken. Maybe he'd had too much of it on the submarine?

Aside from all these accomplishments, Bill Allread is a fine woodworker; having built some of the furniture in his own house, and also makes some fine-tasting wine from the line of grape vines outside his factory.

Lion Bill has two daughters. His wife Leona passed away several years ago, and he has moved into an apartment in another old Eagle Lock shop across from his business.

Bill is one of the last of the "old school" Lions Club members who even today remains an active and well-respected Lion. The Terryville Lions Club proudly dedicates this yearbook to Lion William Allread; past Deputy District Governor.

IMPORTANT NOTICE

*******All animals for which there is a licensed Rabies vaccine – cattle, horses, sheep, dogs, cats and ferrets-exposed to the public shall be vaccinated against Rabies. Animals not having an approved Rabies vaccination shall be displayed in a manner such that the public would not be in contact or exposed to saliva from those animals and have EASILY VISIBLE POSTED SIGNS OR TAPE stating, "CONNECTICUT RABIES ADVISORY NOTICE - DO NOT FEED OR TOUCH ANIMALS".*****

On August 4, 2009, the Department of Agriculture adopted regulations for the "Control of Rabies in Public Settings" which will be enforced at all Connecticut fairs and public exhibitions. The complete text of the regulations, RCSA §§ 22-359-1 through 22-359-5, follows this notice. Its provisions include the following **for both Connecticut and out of state animals:**

(1) Animals for which there is a licensed Rabies vaccine

- Horses, cattle, sheep, dogs and cats must be currently vaccinated against rabies by a licensed veterinarian unless they are under the minimum age to be vaccinated. (Ferrets are also included in this category if displayed.)
- These animals must have a rabies vaccination certificate signed by the licensed veterinarian administering the vaccine that includes the animal's identification and description, name and address of owner, name of the vaccine's manufacturer, serial number, date the vaccination was administered and date when it expires.
- If it is the animal's first vaccination, it must be given at least **30 days** prior to the first show date to be considered current.

(2) Animals not having an approved Rabies vaccination

- Includes **animals for which there is not a licensed rabies vaccine and animals for which there is a licensed rabies vaccine but are under the age to be vaccinated.** (Most rabies vaccines are labeled to be administered when animals reach 3 months of age – young animals for exhibition should be vaccinated as soon as possible after 3 months of age.)
- Animals must be separated from the public by sufficient means to avoid direct contact with people and other animals, such as a double fence, plexiglass, or other means; or conspicuous signs or tape must be posted near the animal enclosure stating "CONNECTICUT RABIES ADVISORY NOTICE – DO NOT FEED OR TOUCH ANIMALS".

Yellow tape with the rabies advisory notice wording is available for purchase from the Department of Agriculture.

Please, contact the Department at (860) 713-2504 if you have questions regarding the requirements, the rabies regulations or if you wish to obtain the rabies advisory notice tape.

Connecticut's Bristol Old Tyme Fiddlers Club

Preserve & Promote Old Tyme Fiddling!

Our Founder and President, Gerry Lagace, was impelled, as a member of the Old Fiddlers Club of Rhode Island, to start a fiddlers club in Connecticut. And so, on December 10, 1972, Gerry invited twelve local musicians to his folk's home in Bristol to tell them how the Rhode Island fiddlers were active in playing their fiddles and promoting the "art" of "old tyme fiddling". After hearing Gerry's idea, these musicians wanted to persuade other fiddlers in the area, to take their fiddles out of their cases, rosin up their bows, and make them useful again. Thus was the beginning of the Connecticut's Bristol Old Tyme Fiddlers Club!

THE HISTORY OF THE TERRYVILLE LIONS COUNTRY FAIR

By Dick Foote, Past District Governor

There are people who believe that the old Terryville Fair is somehow related to the Terryville Country Fair that we enjoy each year. It is true that there was a fair in town back before I was born, and the fairgrounds was where the Hoye Street development is now. From what I understand, it probably ended sometime in the 1920's or '30's. I imagine that it was sponsored by the Grange or a local agricultural society.

Fast-forward to 1941 when a new club was formed in town; part of the International Association of Lions Clubs, and sponsored by the Bristol Lions Club. As was the practice for all Service Clubs at the time, the membership consisted of business and professional men; those who could take time off from work (usually at noon) to attend meetings. Of the 22 Charter members, two later became presidents of the Terryville Trust Company, two were clergymen, two were physicians, one was the First Selectman, and one was the funeral director, later to become our club's first District Governor. All the rest were either local businessmen or in management in one or the other of our local industries.

Sometime around 1947 or '48, several members, more than likely led by J. Francis Ryan, who was probably active in that earlier fair, decided that the Terryville Lions Club should sponsor a new fair; naming it the Terryville Country Fair. Plans were laid out, and no doubt help was given by the Association of Connecticut Fairs (Mr. Ryan was active in this group), and a place to hold it was needed. In those days, there were plenty of empty lots available around town, and at some point the club was able to lease the Stashenko property (the old Higgins farm) up on Town Hill.

During the summer of 1949, when I was nine years old, the whole town was talking about the upcoming Terryville Fair. As the time for the fair approached, people would drive up to the fairgrounds to see what was going on. It must be understood that the fairgrounds was nothing more than an open field of about 15 acres. Everything had to be set up in preparation for the fair. Tables had to be constructed, electricity had to be brought in, and tents had to be rented. One thing was already in place in 1949. A hand-dug well was right in the middle of the open field, so the club decided to purchase one acre of land surrounding it. An old garage was brought up from downtown and placed over the well. It was the only permanent structure on the fairgrounds until 1959. The water was not fit for drinking, so any water on the grounds during the fair was drawn from a large tank on the back of a town truck.

TERRYVILLE LIONS COUNTRY FAIR

the new Chevrolets. For the "Farmer's Wife" we had full displays of canned goods; pickles, tomatos and peaches; baked goods and quilts. Mid-September was a great time to show your prize fresh vegetables as well.

Once the fair closed on late Sunday afternoon, all the equipment that had been set up by the Lions the five days before the fair had to be taken down before Monday morning when the tent people would be back. The display tables had to be loaded onto a truck to be taken down to Dana Purrington's barn in Pequabuck while another group of Lions had to drive over to Bethlehem with borrowed poultry crates (their fair was the next weekend).

The fair was a success, even though the Lions did not make a tremendous amount of money on it, but it did serve as a great public service activity and helped to put us "on the map". Any activity that relies on the weather also faces some risk. In 1952 there was a total rain-out. My dad was doing traffic duty at the west entrance in pouring rain, and remembered seeing only one car entering the fairgrounds. It was a big black Cadillac carrying Governor John D. Lodge. He had promised that he would attend. Again, in 1956, we had another total rain-out. Josiah Wood and others realized that this might be the end, and called on all our creditors to hold-off for a few months, promising that they would be paid. This saved the fair.

I joined the Lions Club in 1965; much of what the club did prior to that time was still going on; the late night set ups inside the tents, the feverish dismantling of everything on Sunday night, etc. One good thing that happened before I joined was the construction of a plywood building (where the flagpole and Food Building are now located).This was used for storage of tables, screens and table legs for all the months between fairs. There was little room for anything else until the building was emptied out for the fair, when it became the Fair Office. With the construction of our first pole barn, tables and other equipment could be stored there, allowing the plywood building to be used as a place for Fair Meetings, etc. We even added

a stove, sink and refrigerator; giving the Lions a place to relax during the fair and at other events during the year.

The only food on the fairgrounds prior to the fair was provided by an old guy who set up on the corner of the midway on Friday night, "Bob's French Fries" did quite a good business serving the Lions and others while they worked to be ready for the weekend. Once the fair opened, patrons could find food in several locations. The Knights of Columbus sold hot dogs and hamburgers next to Bob's French Fries, the Holt Community Club had a sit-down chicken dinner, and Petey Buck from Bristol did fried-dough pizza. Another vendor, "Art's French Fries" was a fixture at the fair for many years.

The Terryville Lions Club was making somewhere around five or six thousand dollars a year from the fair by the time I became a member. One night at a meeting at the old Austin House, one of our members, Russell Bondeson, stood up and said that if we want to make a profit at the fair, we'll need to take over the sale of food. The club then notified all the vendors, and we began offering hot dogs, hamburgers, sausage sandwiches, french fries, soda, beer and ice cream novelties. Not long after that, we began our chicken barbecue, Petey Buck stayed on for a few more years. We started to show a decent return for all our hard work.

After several multi-year leases, the Stashenko family offered us the opportunity to purchase the fairgrounds. In 1975, we bought approximately 30 acres; half of which was forest-land. Soon afterward, we contracted with someone to clear-cut the wooded area, and with the Operators' Union to bring in heavy equipment to clear the land while they practiced their trade. These two things doubled the size of the fairgrounds; giving us about 15 acres for parking. Over the years, successive purchases of contiguous parcels have greatly improved parking, fireworks placement, etc.

With ownership of the land, the Lions Club was free to build additional structures on it. Around the same time, the Andrew Terry Company asked if we would be interested in taking down a warehouse full of wooden racks and shelves. The club took them up on this, and ended up with enough lumber (mostly 2X4's) to nearly fill the first storage/display building.

From this, many structures were built; the original food booth, pizza booth, chicken barbecue pavilion, and pig barn. These buildings have by now all been replaced, but they served us well for at least forty years.

The wives and girlfriends of Lions members were a part of the fair since its beginning. Some helped out with judging exhibits, some worked in the Secretary's office and others simply supported their men. The club's "thanks" to them consisted of a "Ladies Nite" dinner dance in November. When the Lions finally took over the food sales at the fair, Wednesday nights before the fair saw a whole crew of women working in the small kitchen in the plywood "headquarters". They cut and peeled onions and peppers and cooked them in prepara-

tion to be served alongside the hot dogs, hamburgers and sausage sandwiches at the fair. The whole place smelled like onions for the rest of the week. Once the fair began, they worked side-by-side with the Lions in the food booth; frying hamburgers, sausage sandwiches, and hot dogs, and slicing rolls. They also waited on the long lines of hungry fairgoers.

Seventy years after its founding, in 1987, the International Association of Lions Clubs finally accepted women into full membership. Today, they provide the same services to their local clubs and communities as their male counterparts; rising through the ranks even to the highest levels of Lionism, including International President. We here in Terryville salute our female members for their service. Our club and our community would not be the same without them.

The Terryville Country Fair today is a far-cry from what it once was. With the ability to raise funds, the Terryville Lions Club is able to make improvements to the Fairgrounds, provide scholarships, donate to local, District and International programs, and provide services to the community; the Ambulance Corps, the Fire Department, schools, and just about anything or anyone in need. It is our hope that you enjoy this, the 75th Anniversary of the Terryville Lions Country Fair, and look forward to many more.

ADULT BAKING CONTEST

PANE BIANCO

INGREDIENTS:

Dough:

- 3 cups King Arthur Baking Company All-Purpose flour
- 2 teaspoons instant yeast
- 1 1/4 teaspoons salt
- 1 large egg
- 1/2 cup milk, lukewarm
- 1/4 cup water, lukewarm
- 3 tablespoons olive oil

Filling:

- 1/2 cup shredded Fontina cheese
- 1/4 cup shredded Parmesan cheese
- 1/2 cup oil-packed sun-dried tomatoes
- 3 garlic cloves, peeled and minced
- 1 1/2 tablespoons dried basil

INSTRUCTIONS:

1. To make the dough: Measure the flour and gently spoon it into a cup, then sweep off any excess. Combine all of the dough ingredients in a bowl, then mix and knead to make a smooth, very soft dough.
2. Place the dough in a lightly greased bowl, cover, and let it rise until it's doubled in size, about 45 to 60 minutes.
3. Meanwhile, thoroughly drain the tomatoes, patting them dry. Use kitchen shears or a sharp knife to cut them into smaller bits.
4. Place the dough on a lightly floured surface and pat or roll into a 22" x 8 1/2" rectangle, deflating it slightly. Spread with the cheese, tomatoes, garlic, and basil.
5. Starting with one long edge, roll the dough into a log the long way. Pinch the edges to seal. Place the log seam-side down on a lightly greased or parchment-lined baking sheet.
6. Using kitchen shears, start 1/2" from one end and cut the log lengthwise down the center about 1" deep, to within 1/2" of the other end.
7. Keeping the cut side up, form an "S" shape. Tuck both ends under the center of the "S" to form a "figure 8;" pinch the ends together to seal. When shaping the loaf, tuck any larger pieces of tomato or basil down into the dough (to avoid char).
8. Cover and let rise in a warm place until double, 45 to 60 minutes.
9. While the loaf is rising, preheat the oven to 350°F.
10. Uncover the bread, and bake it for 35 to 40 minutes, tenting it with foil after 20 to 25 minutes to prevent over-browning.
11. Remove the bread from the oven and transfer it to a rack to cool.

Submit on foil-covered cardboard no wider than one inch from the bread.

King Arthur 2023 JUNIOR BAKING CONTEST

DOUGHNUT MUFFINS

This basic muffin is not your stir-it-gently, dense, fruit-and-nut-filled health muffin. Instead, it's a beat-it-up, cake-type muffin, high-crowned and very "vanilla-looking." This is a great muffin for kids (young or old) who don't want a lot of "stuff" in their muffins. With its basic sugar-cinnamon-nutmeg flavor, it's more reminiscent of a plain doughnut (without the deep-fat frying) than anything else.

As plain as it is (which is just the way some people like things), it's a good candidate for additions of dried fruit and/or nuts to the batter, as well as a garnish of flavorful jam or preserves when serving time rolls around.

PREP: 10 mins • BAKE: 15 to 17 mins • TOTAL: 25 mins
YIELD: 12 muffins

INGREDIENTS:

Batter

- 4 tablespoons (57g) butter
- 1/4 cup (50g) vegetable oil
- 1/2 cup (99g) granulated sugar*
- 1/3 cup (71g) light brown sugar or dark brown sugar, packed*
- 2 large eggs
- 1 1/2 teaspoons baking powder
- 1/4 teaspoon baking soda
- 1 to 1 1/4 teaspoons nutmeg, to taste
- 3/4 teaspoon salt
- 1 teaspoon King Arthur Pure Vanilla Extract
- 2 2/3 cups (320g) King Arthur Unbleached All-Purpose Flour
- 1 cup (227g) milk

TOPPING:

- 3 tablespoons (43g) butter, melted
- 3 tablespoons (39g) cinnamon sugar

INSTRUCTIONS:

1. Preheat the oven to 425°F. Lightly grease a standard muffin tin. Or line with 12 paper or silicone muffin cups, and grease the cups with non-stick vegetable oil spray; this will ensure that they peel off the muffins nicely.
2. In a medium-sized mixing bowl, cream together the butter, vegetable oil, and sugars till smooth.
3. Add the eggs, beating to combine.
4. Stir in the baking powder, baking soda, nutmeg, salt, and vanilla.
5. Stir the flour into the butter mixture alternately with the milk, beginning and ending with the flour and making sure everything is thoroughly combined.
6. Spoon the batter evenly into the prepared pan, filling the cups nearly full.
7. Bake the muffins for 15 to 17 minutes, or until they're a pale golden brown and a cake tester inserted into the middle of one of the center muffins comes out clean.
8. Remove them from the oven, and let them cool for a couple of minutes, or until you can handle them. While they're cooling, melt the butter for the topping (this is easily done in the microwave).
9. Use a pastry brush to paint the top of each muffin with the butter, then sprinkle with the cinnamon sugar. Or simply dip the tops of muffins into the melted butter, then roll in the cinnamon sugar.
10. Serve warm, or cool on a rack and wrap airtight. Store for a day or so at room temperature.

King Arthur 2023 ADULT BAKING CONTEST

Vermont Whole Wheat Oatmeal Honey Bread

Made from a combination of all-purpose flour, oats, and whole wheat, this is a great American-style sandwich bread: high-rising, soft-textured, and mildly sweet. From the classic PB&J sandwich to grilled cheese to your everyday breakfast toast, this versatile loaf is a real crowd-pleaser.

PREP: 10 mins • BAKE: 35 to 40 mins • TOTAL: 4 hrs 30 mins
YIELD: 2 Loaves

INGREDIENTS:

- 2 cups (454g) boiling water
- 1 cup (89g) rolled oats, old-fashioned or quick-cooking
- 1/2 cup (78g) maple sugar or 1/2 cup (106g) brown sugar, packed
- 1 tablespoon (21g) honey
- 4 tablespoons (57g) butter
- 2 1/2 teaspoons (15g) salt
- 1 teaspoon cinnamon, Vietnamese preferred
- 1 tablespoon instant yeast
- 1 1/2 cups (170g) King Arthur White Whole Wheat Flour
- 4 cups (480g) King Arthur Unbleached All-Purpose Flour

INSTRUCTIONS:

1. In a large mixing bowl, combine the water, oats, maple or brown sugar, honey, butter, salt, and cinnamon. Let cool to lukewarm (100°F to 110°F), which typically takes about 10 to 15 minutes; stir the mixture several times to help things along, if you like.
2. Weigh your flour; or measure it by gently spooning it into a cup, then sweeping off any excess. Add the yeast and flours, stirring to form a rough dough. Knead (about 10 minutes by hand, 5 to 7 minutes by machine) until the dough is smooth and satiny.
3. Transfer the dough to a lightly greased bowl, cover the bowl with lightly greased plastic wrap, and allow the dough to rise for 1 hour. Since the dough is warm to begin with (from the boiling water), it should become quite puffy.
4. Divide the dough in half, and shape each half into a loaf. Place the loaves in two greased 8 1/2" x 4 1/2" bread pans.
5. Cover the pans with lightly greased plastic wrap and allow the loaves to rise until they've crowned about 1" over the rim of the pan, about 1 to 2 hours.
6. Bake the loaves in a preheated 350°F oven for 35 to 40 minutes, tenting them lightly with aluminum foil after 25 minutes, to prevent over-browning. Remove them from the oven when they're golden brown, and the interior registers 190°F on a digital thermometer.
7. Turn the loaves out onto a rack to cool. Store at room temperature, well-wrapped, for several days; freeze for longer storage.

In Loving Memory of P.D.G. Len Johnson

It is with a great sense of loss and sadness that the Terryville Lions Club announces the passing of Past District Governor Leonard Johnson. Joining the club in 1962, he remained an active member for the rest of his life. Sadly, he was honored on the 2022 Terryville Country Fair Premium Book but passed away shortly before the fair. It is hoped that he was able to see the dedication in the book before he died.

A strong supporter of Lions International's programs and projects, and of the Terryville Lions Club, he attended many International conventions and conferences. He also became active in the Association of Connecticut Fairs, serving a three-year term as president. Lion Len made many friends over the years, especially through his association with the Lions Club. He strongly advocated for membership and club rules and saw to it that they were followed.

In 1993, Lion Len joined the District Governor's cabinet, and remained active in District and Multiple District affairs; rising to the high office of District Governor in 2008. A life-long heavy equipment operator, Lion Len performed much of the site work around the Fairgrounds, and his

further knowledge of the construction business was a big help whenever the club was planning for new buildings, etc.

Len's wife Lani, also a club member, passed away shortly before he did. He leaves two sons and several grandchildren, and of course his Lions family. The Terryville Lions Club is proud to have had Past District Governor Len Johnson as a member and friend. His loss will be felt for many years.

In Loving Memory of Lions Volunteer, Barbie Squires

Barbara (Barbie) Squires, a volunteer of the Terryville Lions Club, was the widow of Lion Kevin Squires.

Barbie was a former waitress at Chute Gates Steakhouse in Terryville for many years.

You would always find her volunteering with her husband, Lion Kevin, getting the beer booth ready for the Terryville Lions Country Fair every year. She would assist with organizing and cleaning the beer booth before and after each fair. She would assist with checking IDs, selling beer tickets and handing out beer wristbands. Over the fair weekend, you would also see her helping with filling beer cups and serving fairgoers.

She also spent many years volunteering, checking IDs, selling beer tickets, and handing out beer wristbands at other Lion Club events like the Outlaws Concert and Rodeo. Barbie would also volunteer her time at other special Lions Club events, with setting up and decorating at the Lions Club Ladies Night and the After Fair Party.

She loved her trips to Florida, getting together with her family and playing card games. She enjoyed spending time with family and friends. Barbie was a special person, she was a wholehearted and deeply caring soul. You would always see her smiling and laughing -- it was said that she was always a lot of fun to be with!

Barbie will surely be missed this fair year and for many years to come.
